Dear friends and supporters of the Kevin White family,

I could not be prouder of Kevin and Beth. God is using them in tremendous ways. I have had the privilege of working and being around Kevin and Beth for quite some time. I watched, as did you, as God built his man and a great work there in Bolivia.

I am so blessed at how Macedonia World Baptist Missions has served our church and our missionary over these many years. There is no finer group of people in the world than those at Macedonia. I love them all very much and count them as very dear friends. As Vision Baptist Church has grown over the last 9 years, God has allowed us to start a mission agency, Vision Baptist Missions, right in and out of our church.

Several of the 20 missionaries sent out of Vision Baptist Church are sent through our mission agency. Though we have no requirement that our missionaries be with Vision Baptist Missions, Kevin and Beth feel like God has led them to have their home church and mission handle all the responsibility for their ministry and funds.

We are very deeply involved on a consistent basis with all of our missionaries. We talk to them, pray with them, correspond with them on a very regular basis. Macedonia has always done a great job of this. They are one of the finest mission agencies anywhere. We love them and have no problem with them at all.

Simply put, Kevin and Beth feel like they would like to put it all under the umbrella of their local church now that the church is fully able to care for them. So as Kevin's pastor and friend, I am writing this letter to ask you to change his support address to Vision Baptist Missions, PO Box 442, Alpharetta, GA 30009.

Thank you so much for all that you do for them and for many other missionaries all around the world.

God bless you.

Respectfully,

Austin Gardner
