Serving Bolivia

Since 2006

August 2025

On the Road Again:

Well, we have been back in the US for a couple months now and although we spent the first few weeks getting moved and set up where we will be living, we have also already been on the road visiting both new and supporting churches. So far, in this small amount of time, we have been in North Carolina, Virginia, Georgia, Tennessee, Alabama, South Carolina, and back to Northern Virginia. After living in a city (Cochabamba) where most things can be reached in thirty minutes or less, it has taken us a little to get used to traveling again. All in all, we have been truly blessed by the churches that we have visited, and it has been a joy to share about what the Lord is doing in Bolivia. We are also very thankful for the Lord's protection traveling with sometimes both weather and crazy traffic. Pray for us as we continue to travel over the coming months.

Good Report:

We praise the Lord for the good reports that we continue to get from the churches in Bolivia. This past month they had their yearly youth conference with all of the churches there. One of the amazing things about this years conference was that I had almost nothing to do with the planning or preparation for the event and all the pastors worked together and divided up the responsibilities. I am very proud of the work that they all put in and the way the Lord is blessing each of them. At our church in Chiquicollo they finished up membership classes recently and had four new members join. They also had their very first Vacation Bible School reaching out to the kids in the neighborhood. At our church in Quillacollo they were able to have their first official service on the new property and the Lord is really blessing with close to twenty in attendance. They have been working very hard to get things in order on the new land for the church services. In all, we praise the Lord for how He is blessing his work.

Visiting Colombia:

This past month I also had the opportunity to help take a group from our home church on a mission's trip to Colombia. There were close to twenty total that went on the conference including teens and several that went from the church as chaperones. We were there to visit Miguel Sanabria, Chestley Howell, and their ministries and help with two different Vacation Bible Schools. We were also able to learn about the culture in Colombia while visiting a coffee plantation and having a presentation on how chocolate is made. In all we were able to see the young people of the church really get a heart for missions and the need for the gospel in Colombia.

Prayer Requests:

1. Pray for us as we travel visiting churches sharing about the ministry in Bolivia.
2. Pray for this upcoming semester at the *Vision School of Missions* and the new students that will be attending.
3. Pray for the upcoming elections and political situation in Bolivia.
4. Pray for the pastors and churches in Bolivia as they continue on in the work.

Titus Beth Kevin Taylor
